Member House of Lords, UK Parliament

Chairman, Lord Rana Foundation

Charitable Trust, UK & Smt. Jawala

Devi Memorial Trust, India

Hon. Consul of India to Northern Ireland

President - Consular Association of

Northern Ireland

President, GOPIO International and

Bhartiya Pravasi Samman Awardee 2007

Cordia Group of Educational Institutes, Sanghol is a centre of excellence in higher education to tackle the ever changing contemporary times of intense competition and innovations. It connects modern higher education with India's glorious and enlightened past by providing opportunities to youth to excel in life through education, empowerment and entrepreneurship.

Inspired by His Excellency late President of India Dr. APJ Abdul Kalam's PURA vision (Providing Urban Amenities in Rural Areas). It is committed to all round educational growth along with personality development of rural youth. The Panchmukhi ancient Indian ideology combined with the modern scientific education curriculum is central to development of moral, practical, aesthetic, and intellectual acumen among youth.

It is understood that education has always been the pillars of strength of culture, civilization and an emancipated society. Only such a society provides equal opportunities to all its citizens, men and women, to grow, prosper and explore their dreams in the vast world. Cordia Group of Educational Institutes is a unique place serving youth by imparting specialized knowledge to enable them become global leaders by realizing their fullest potential.

I welcome you to Cordia Group of Educational Institutes, Sanghol.

## URMIL VERMA

## Message

There are varied challenges in today's global and highly competitive world. The Cordia Group of Educational Institutes Sanghol is ready to take up the challenges for the betterment of humanity and society. The image of any educational institute lies in the quality of professional, social and virtuous values that it delivers to the rest of the world. That is what the whole world is looking for and that is how CORDIA GROUP has been disseminating knowledge and spreading education of high standards through a number of flourishing institutes of higher education at our campus.

We create future and our aim is to contribute to the movement of nurturing the YOUTH as "Leaders of Tomorrow," strengthening our economic and industrial progress. "EXCELLENCE IN EDUCATION" is our motto.

The vision, mission and ambition of LORD RANA CHARITABLE FOUNDATION, UK is to transform the lives of youth by delivering quality education and investing in people by imparting PANCHMUKHI SIKSHA.

## Message

Conforming to the motto ***Excellence in Education*** we the educators are vested with a great responsibility to the nation. Ever since its inception Cordia Group of Educational Institutes has been striving hard to promote the broad significance of education, redesigning the mode of instructions and pedagogy to sharpen students' intelligence to enable them to accomplish their aspirations. We inculcate in them positive values to build strong personalities with positive attitude and outlook and prepare them to tackle the challenges of life. Our excellent team of faculty members work whole heartedly and leave no stone unturned to motivate and guide students on the path of progress.

Cordia Group's success mantra is based on seven P's: Positivity, Purpose, Preparation, Punctuality, Perseverance, Persistence and Perspective. We provide a conducive learning environment at our serene campus and our students with intellectual brilliance and ethical excellence, emerge out as champions and leaders with a difference.

With profound gratitude to all our well wishers we are marching ahead and exploring further opportunities for our students and invite you to our campus to have unique experience of quality learning.

# CORDIA INSTITUTE OF BUSINESS MANAGEMENT (CIBM)

# ENGLISH SKILLS ENHANCEMENT SUPPORT

Cordia Group of Educational Institutes has launched Skills Anytime (an online English e-Learning tool) from West Nottinghamshire College, BKSb, UK, which is designed to help students to improve their English Language in order to prepare for various competitive examinations, get the edge when applying for a job, or simply brush up their skills. The programme covers all aspects of English language, such as grammar, punctuation and spelling through interactive, self-paced assessments and resources.

Skills Anytime assesses individual's skills- identify their weak areas provides them access to the resources they need to improve. Working through each assessment at their own pace enables students to enhance their English speaking and listening abilities as they go along.

Within each course, there are four stages that one needs to work through in order to complete the course.

These are : Initial Assessment, Diagnostic Assessment, Learning Resources and Skill Checks. At the end of the course, students receive a certificate to show that they have completed the course.

Moreover, Skills Anytime English e-Learning solution covers IELTS levels 3-9. Specifically, it helps students to prepare for IELTS exams and improve overall English Skills, which helps them in their visa application to foreign countries.

- ✓ Skills Anytime can support learners of all ages to improve their English skills
- ✓ Supports a range of English programmes including IELTS and ESOL
- ✓ Highlights skill gaps, then develops knowledge and confidence
- ✓ Used by millions of students around the world

# RESOURCE SUPPORT SYSTEMS: ACADEMIC & RESEARCH

Scholars, Faculty & Students of Cordia Institutes have an easy access to millions of e-books, National and International Journals, Magazines and scholarly Publications.

## GALE CENGAGE LEARNING

### e books

Award-winning research platform, GVRL, is home to millions of e-books and offers cutting-edge tools, such as Inter-Link.

### PRIMARY SOURCES

No other resource gives you more insights from more perspectives. Gale Primary Sources allow you to discover original, firsthand content – meticulously cross-referenced to bring facts into focus and information to life in remarkable new ways.

### DATABASE

It's important that today's researchers access complete, credible, and up-to-date content. From student favorites like Gale's In Context suite to our flagship InfoTrac databases, we offer dozens of powerful research platforms to put vetted sources right at your users' fingertips.

### DELNET

Supported by the National Information System for Science and Technology (NISSAT), Department of Scientific and Industrial Research, Government of India and the National Informatics Centre, Department of Information Technology, Ministry of Communications and Information Technology, Government of India and the Ministry of Culture, Government of India, New Delhi, DELNET enables students to acquire knowledge and skills to compete in the job market.

With the prime objective of promoting resource sharing among the libraries through the development of a network of libraries it has created the Union Catalogue of Books and periodicals; CD-ROM Database of India Specialists, Periodical Articles, Video Recordings, Urdu Manuscripts, and Dissertations. All the DELNET databases have been resident on DELSIS, an in-house software developed on BASIS Plus, RDBMS, the product of Information Inc. of USA which has been provided to DELNET, courtesy National Informatics Centre, New Delhi.

### J-GATE

An electronic gateway to global e-journal literature launched by Informatics India Limited, J-Gate provides seamless access to millions of articles available online offered by 13, 269 publishers. It presently has a massive database of Literature published in journals of repute, indexed from 45,172 e-journals with links to full text at publisher's sites. J-Gate also plans to support online subscription to journals, electronic document delivery, archiving and other related services.

A comprehensive searchable database with 46,092,094 articles, adds 10,000 + articles every day.
